GREEN & CLEAN CARPET

Only Chem-Dry® uses

The Natural

Only Chem-Dry® uses The Natural, a proprietary carpet cleaning solution that is non-toxic and safe for kids and pets. The phenomenal carpet cleaning mixture lifts dirt to the surface where it is whisked away with the vortex power of the PowerHead®, a high performance unit that applies the cleaning solution and then sucks away the dirt and water.

Green & Clean
with The Natural® only from Chem-Dry®

AREA RUG CLEANING

Renew Your Rugs!

Renew the beauty of your oriental rugs. Chem-Dry®'s professional technicians are trained to deliver superior area rug cleaning services. Using our carbonating cleaning solution to deep clean without damaging your rugs, you are sure to enjoy the results. Typically, area rugs are cleaned off-site and returned within days. If you require specialty area services, including same day service, please inquire for details.
